

Table 4.1. Preliminary Assessment of Environmental Sensitivity to Commercial Herring Fisheries in Selected Areas.

Category	Area*				
	1	2	3	4	5
Land Use					
Traffic Circulation					
Water Quality					
Air Quality					
Housing					
Public Utilities					
Geological					
Biological					
Archaeological					
Scenic					
Recreation					
Noise					
Growth Inducement					

*Note: Area 1 = San Francisco Bay
Area 2 = Tomales-Bodega Bay
Area 3 = Humboldt Bay
Area 4 = Crescent City Area
Area 5 = Open Ocean (Monterey Bay)

 = low sensitivity
 = medium sensitivity
 = high sensitivity
